

Minnesota Healthcare Consortium & Further Partnership

A Partnership

Further is a national leader in health spending account administration, serving more than 30,000 clients nationwide. Our comprehensive suite of market-leading spending account solutions supports your growth and meets the needs of employers and members across all market segments.

The MHC has partnered with Further for over fifteen years. We are uniquely qualified to understand the needs of public sector employers and their employees. Our team of experts understand the nuances of insurance committees, collective bargaining negotiations, budget concerns, and contracts. Through this partnership we can work seamlessly with the health plan and the Regional Service Cooperatives to ensure all aspects of the spending account needs are met, are administered within IRS guidelines, and targeted education is readily available to both group leaders and employees.

The MHC and Further partnership value

- Over \$300M in assets under management for HSA and VEBA
- 30+ highly rated mutual fund offerings
- MHC and Further partner with over 600 employer groups across MN
- All MHC HSA plans are hybrid compatible

Award winning customer service

Further customer service representatives receive training specific to MHC plan designs and programs so your employees will always receive a tailored experience.

Member, Roseville Area Schools

"Yampiel was knowledgeable, polite, and reassuring. He found my information, explained what the next steps would be, offered to keep in touch via email until the issue was resolved and he followed through."

Member, Crow Wing County

"Jasmine was very professional, caring, compassionate and did spend the time to get my messy situation resolved. I appreciate that level of customer service!"
