

CAREER NAVIGATOR PROGRAM

To: Schools Participating in the Career Navigator Program during the 2017-18 school year

Who: All ninth-graders

What: Career Exploration in the following areas:

- Agriculture, Food, & Natural Resources
- Art, Communication, & Information Systems
- Engineering, Manufacturing, & Technology
- Health Science Technology
- Human Services
- Business, Management, & Administration

Where: South Central College - Mankato and Faribault Campuses

Time: *Arrival and departure times will be shared once schedule is finalized*

Districts who are participating have agreed to the following:

- Providing **transportation** for all 9th graders to the South Central College Campus (cost will be reimbursed)
- Providing **staff** to accompany students including the School Counselor, available 9th grade teachers, and support staff (ration to be determined when schedule is finalized)
- Provide some **pre-teaching** within the school prior to the event
- Help disseminate information including, but not limited to:
 - Pre and post surveys
 - Parent information guide
- Students will be required to bring a sack **lunch** (from home or district provided)

South Central College will provide the following experience for students:

- Information about each career pathway
- Hands on/interactive learning

The Career Navigator Program is a cooperative effort of South Central College and the South Central Service Cooperative Perkins Consortium.
