

Welcome!

We appreciate your support at our Career Navigator Program. We are asking chaperones to help in directing students through their Career Field Presentations and Demonstrations. Each hour, this will involve joining the Career Field Presentation, then leading the students to two Career Field Demonstrations. After lunch you will then help your Yellow group through two additional cycles of this.

If you have any questions or concerns, please speak with the South Central College staff assigned to your Presentation room or, speak with staff at the check-in table by the Conference Center.

We are also looking for feedback on the event so that we can make improvements for the next visit. Please complete the included survey and return to the check-in table. Thank you again for your support and enjoy your visit!

Time	Yellow Group	Room #
9:00 -9:30	Schools arrive, Check-in	Conference Center
9:30 - 10:15	Welcome, Opening Speaker	Conference Center

After lunch you will then help your Orange group through two additional cycles of this.

If you have any questions or concerns, please speak with the South Central College staff assigned to your Presentation room or, speak with staff at the check-in table by the Conference Center.

We are also looking for feedback on the event so that we can make improvements for the next visit. Please complete the included survey and return to the check-in table. Thank you again for your support and enjoy your visit!
