

A NEW WORKSHOP SERIES FOR ALL LEADERS

SCSC 
South Central
Service Cooperative
Quality Through Cooperation Since 1976

LEADERSHIP FACILITATION AND ADULT LEARNING SKILLS

This three-part workshop teaches powerful ways to integrate the best practices of learning leadership into real-world scenarios. Through three intensive workshops, individuals will learn, apply, and reflect on methods of facilitation, adult learning theory, and consensus-building.

September 22, 2022 • November 10, 2022 • January 26, 2023

9am-1pm Direct instruction and lunch
1pm-4pm Guided collaboration with your team
and with leaders from other schools

See session details on reverse side

COST

No charge for SCSC members
\$100 for non-members (for entire series)

12 CEUs
available

LEADERSHIP FACILITATION AND ADULT LEARNING SKILLS

PART ONE / SEPTEMBER 22

ADULT LEARNING THEORY AND PROFESSIONAL DEVELOPMENT - BEST PRACTICES IN ACTION

- **WHY:** Explain why adult learning theory helps motivate the adult learner.
- **WHAT:** Articulate the principles of adult learning theory and PD best practices.
- **HOW:** Apply adult learning models to your practice of PD development.
- **APPLY:** Create a framework that supports the use of adult learning theory in your context. For the next session: Use one of the frameworks you learned and bring it to the next session.

PART TWO / NOVEMBER 10

FROM THEORY TO PRACTICE - HOW TO FACILITATE THE LEARNING EXPERIENCE

- **WHY:** Explain facilitation is a useful method for effective adult learning.
- **WHAT:** Know what facilitation is and is not.
- **HOW:** Know how to work effectively as a facilitator. (ORID)
- **APPLY:** Will know how to apply the principles of facilitation to a training.

PART THREE / JANUARY 26

APPLYING, REFLECTION, AND PRACTICE

- **WHY:** Explain the core best practices of effective adult dialogue and decision-making.
- **WHAT:** Know the differences between and uses of three primary dialogue models.
- **HOW:** Explore Structured Conversation for Decision Making, Building Consensus in Teams, and Developing Plans and Processes.
- **APPLY:** Identification of the use of these models throughout today's materials thus far.

**PARTICIPANTS ARE
ENCOURAGED TO ATTEND
